# CROCHET PATTERN

## Bag CORD

Designer: TyK\_Knitdesign

#knitpattern\_TyK

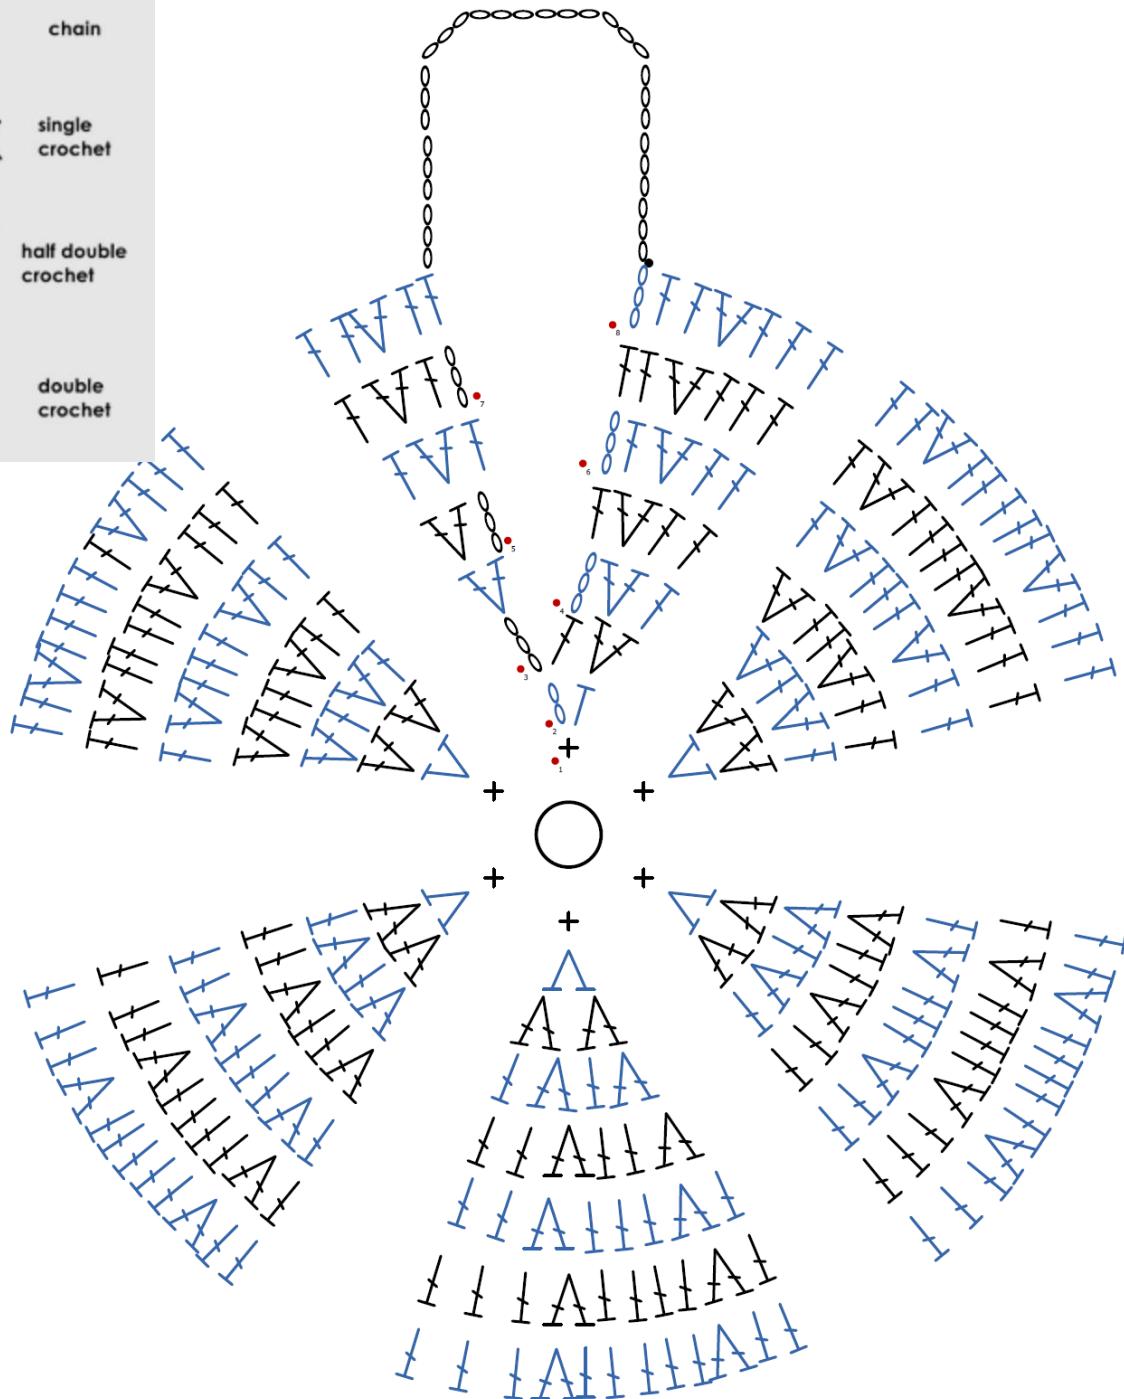

## GENERAL

### YARN AND NEEDLES:

- 200m.- Cord 5mm Bobbiny (100m/500gr)
- Crochet hook 10mm

### ABBREVIATIONS:

●	slip stitch
○	chain
X	single crochet
T	half double crochet
F	double crochet

## PATTERN:

The bag consists of 2 circles that are crocheted separately and then joined.

**1 .Row:** Crochet **6 single crochet stitsches** in Magic Ring and close it with a slip stitch to form a circle. After the last stitch, pull the ring closed at the loose end of the thread so that there is no hole in the centre.

Rows 2 and 3 are the circular rows. At the beginning of the row there are lifting chains, these are the first stitch of the row. The row is closed with a chain stitch, which is inserted into the last lifting stitch.

**2. Row:** in the 2nd row the stitches are doubled, thus 6 stitches are increased.

2 chains (=1 half double crochet (hdc)), crochet 5x 2hdc (= 10 hdc), 1 hdc, close the row with a slip stitch. =12sts

From 3rd row the work is turned over to form the V-line of the bag.

**3. Row:** in the 3rd row the stitches are also doubled, thus 12 stitches are increased.

3 chains (=1 double crochet (hc)), crochet 11x 2hc (= 22hc), 1 hc = 24sts.

**4. Row:** Turn the work to the wrong side and crochet a back row..

3 chains (=1hc), crochet 11x 2hc, 1hc (=33hc), 2hc = 36sts.

**5. Row:** Turn the work to the right side.

3 chains (=1hc), crochet 11x 2hc, 1hc, 1hc (=44hc), 2hc, 1hc = 48sts

**6. Row:** Turn the work to the wrong side and crochet a back row..

3 chains (=1hc), crochet 11x 1hc, 2hc, 1hc, 1hc (=55hc), 1hc, 2hc, 1hc = 60sts

**7. Row:** Turn the work to the right side.

3 chains (=1hc), crochet 11x 1hc, 2hc, 1hc, 1hc, 1hc (=66hc), 1hc, 2hc, 1hc, 1hc = 72sts

**8. Row:** Turn the work to the wrong side and crochet a back row.

3 chains (=1hc), crochet 11x 1hc, 1hc, 2hc, 1hc, 1hc, 1hc (=66hc), 1hc, 1hc, 2hc, 1hc, 1hc = 84sts

After completing Row 8, crochet a chain space of 30 chains from the last stitch of the circle. Attach the chain space to the first stitch of Row 8 with a slip stitch. This should form a loop.

**9. Row:** This row is not shown on the picture and is used for shaping and forming the bag. The stitches will be crocheted [in the back loops only](#).

1 chain (=1 single crochet), crochet 83 **single crochet stitsches**. = 84sts

As soon as you have reached the chain space of the bag's handle, you should work the handle, using the single crochet stitches. But do not insert the sts into the stitches of the chain space, but pass the crochet hook around the chain so that the thread outlines the chain

space. For the 30 chains I made 40 single crochet sts - so the number should be greater than the number of stitches.

Crochet the rows **1-9** one more time.

So 2 parts of the bag are finished.

**Connection of the 2 bag parts:**

Place the two pieces right sides together and join with slip stitches Use the stitches of the 9th row for this, except for the sts of the handles.

You are ready!

Have fun using it.

**IT IS FINISHED.**

I'm glad you knitted the knit piece and I hope you enjoyed it.
